FREE ELECTRIC SHUTTLE RIDES IN GREATER DOWNTOWN HB

On July 13, the City launched our new, FREE micro transit service in the greater downtown area through a partnership with Circuit. This new HB shuttle service pilot program was deployed to improve mobility and help reduce the City's carbon footprint. The service area includes 1.5 square miles exclusively in the Downtown, and rides can be accessed utilizing the "Ride Circuit" app. Watch a demonstration video [here](#) and [check out our service map online](#).

The pilot program will extend through December 12, and hours of operation are Monday-Saturday from 10 a.m. to 10 p.m., and Sunday from 10 a.m.-9 p.m. The City will monitor the usage of the program closely to assess ridership statistics.

A FREE RIDE, AT YOUR FINGERTIPS.

Circuit is an award winning, 100% electric, eco-friendly shuttle service operating in 20+ cities nationwide, including Huntington Beach. Take a free ride anywhere in our Huntington Beach coverage area by downloading the Ride Circuit app or simply waving down a driver.

SERVICE AREA

MONDAY - SATURDAY: 10AM-10PM
SUNDAY: 10AM-9PM

POPULAR DESTINATIONS

- Huntington Beach Pier
- Main Street
- Pacific City
- Hyatt Regency
- Paséa Hotel
- The Waterfront by Hilton
- Kimpton Shorebreak

info@ridecircuit.com

4TH ANNUAL CITIZENS ACADEMY STARTS SEPTEMBER 1

The City of Huntington Beach is now offering its fourth, citywide Citizens Academy, a nine-week program designed to teach residents and business owners about the City and the services it provides.

Starting the evening of September 1, participants will meet with City Council members, department heads and staff to learn about how decisions are made, how city funds are allocated, and how each department operates. The program will also incorporate tours of city facilities, discussions about future plans for the City, and conclude with a graduation ceremony at the November 2 City Council meeting.

The program will encourage public involvement and will be free of charge. Space is limited! For more information or to apply, contact Julie Toledo at 714.536.5577 or julie.toledo@surfcity-hb.org. Applications will be due Friday, August, 13. Click [here](#) for application, schedule and flier.

*Due to the popularity of the program there is a limit of one participant per household or business.

CITY OF HUNTINGTON BEACH PRESENTS

Applications Due by 5 p.m., Friday, August 13

CITY OF HUNTINGTON BEACH

MOBILE HOME ADVISORY BOARD MEETING

JULY 26, 5PM

CITY HALL (LOWER LEVEL, ROOM B-8 OR ZOOM)

Join our mobile home residents
and park owners to learn more
about the HB mobile home
community!

- Community emergency response team presentation
- Personal home and parks safety during disaster

MAYOR'S HB EXCELLENCE AWARD

The Mayor's HB Excellence Award was created to effectively and appropriately recognize City employees who go above and beyond the call of duty. This month, Elisabeth Ferguson in our Finance Department checks all these boxes and embodies the characteristics of the Mayor's Award.

This past year, Elisabeth has gone above and beyond for the City all while having a smile on her face. She has taken on numerous tasks and been an active contributor to deploying the City's new program, Accela.

Elisabeth has not only been training individuals in the Business Licensing Department, but also other departments on Accela. Her training has been so detailed and flawless our Police Department has requested that she guides them as well – to which she happily obliges. Elisabeth does not only demonstrate our six core values she exceeds them with content. Congrats and thank you for all that you do to help make our city even better, Elisabeth!

CHEFS OF HUNTINGTON BEACH - BEALE'S TEXAS BBQ

"Low and Slow!" Brothers Brett and Roshawn Beale made their way to Huntington Beach's Peter's Landing with their restaurant - Beale's Texas BBQ! Their establishment won "Best New Restaurant" courtesy of an online vote during the Huntington Beach Chamber of Commerce annual Best of Awards. Expansion plans and new menu additions are already in the works! Click [here](#) to watch them in action making their signature brisket and peach cobbler!

HBFD PUBLIC EDUCATION PROGRAMS

The Community Risk Reduction, Marine Safety, and Fire Operations Divisions provided valuable information on marine and fire safety to kids in the Sand Crab Junior Lifeguard Program and Catalyst Kids Program.

- Lifeguards from the Marine Safety Division explained the importance of checking in at the lifeguard tower and how to identify rip currents.
- Community Risk Reduction staff read the “Stop, Drop, and Roll” storybook and talked about smoke alarms and the importance of a home fire escape plan.
- Fire Operations crews showed off firefighting equipment and demonstrated how to put out a fire with a fire extinguisher. And of course, they demonstrated how to Stop, Drop, and Roll.

HBFD JUNIOR LIFEGUARD PROGRAM RECAP

HB1 Pilots sharing stories with HBFD Junior Lifeguards

The last two weeks of the HBFD Junior Lifeguard Program was filled with learning for all participants. With bigger surf and sunny days, it was an opportunity to check out all the great aspects of the Huntington Beach's public service. HB1 pilots stopped by for an explanation of HB1 and its many uses. The Sand Crabs got to watch HB1 land and take off, as well as a rescue demonstration from the helicopter to the water.

All of the HBFD Junior Lifeguard groups were able to get in the water and experience the south side current. Most of the groups were able to start at a southern tower, like Tower 13 and float to Tower 7 within minutes. The program instructors took the opportunity to teach their groups about beach operations as well as watching it in action.

Mr. Martin and the 2021 Captains Corps serving desserts during the Picture Day and Hot Dog BBQ

The third week was preparation for Picture Day and the Hot Dog BBQ, the program's opportunity to have parents meet their child's instructor. Picture Day is when all the program participants, except the Sand Crabs and the Beach Rangers, take the panoramic photo. It takes over the area between Tower 3 Tower 5. In order for the younger Junior Lifeguards to stay engaged, the C Group Leaders prepare a skit to entertain them. This year's theme was Medieval Times. Later that night over 1500 hot dogs were served. The line was down to the service road, but the reward was meeting the HBFD Junior Lifeguard instructors, who were busy cooking, serving, or running games. It was also the perfect arena to showcase the 2021 Captains Corps.

JUNIOR LIFEGUARD PROGRAM RECAP

Marine Safety Battalion Chief Leach,
Division Chief McCoy, Soojie Kuroda from
Toyota, Mayor Kim Carr, Alia Pasternak,
Fire Chief Haberle, Captain Foxcroft

Special thank you to Toyota for donating the new nautical flagpole to the Junior Lifeguard Program. Special thank you to Junior Lifeguard Alia Pasternak for her Bat Mitzvah creative project of raising funds for the new event flags.

The new nautical flagpole and event flags, located in front of the Maritime Safety Training Center, have added a new level of communication and excitement. Each day a flag is flown symbolizing that a specific age group will be participating in an important event that day.

The project was showcased this past week when the green flag and the white flag were hung for the A group event and the Captains One Mile swim.

JUNIOR LIFEGUARD PROGRAM RECAP

Another group joining the fun was the Beach Rangers. There are 26 children who got to experience the beach with HBFD Lifeguards. They got to do relay races and play in the surf. This week they are checking out the harbor beach, Seabridge. Most of the children in the program do not go to the beach on a regular basis, so this program allows them to check out their city.

-The last weeks have gone by quickly. Session One Sand Crabs will finish this week. Session Two Sand Crabs will start next week. The HBFD Junior Lifeguard Program is almost half way done. The Beach Rangers will get another week in the harbor. The coming weeks will go by faster with the B Group whale watching and C Group tide pools.

STRIKE TEAM DEPLOYMENT

On July 15, HBFD firefighting personnel were deployed on OES Engine 416 to assist with the Bootleg Fire in Oregon. OES Engine 416 has been reassigned to assist with the Dixie Fire in Northern California.

Then, on July 15, HBFD sent a single resource deployment to assist with the Dixie Fire. Five days later, HBFD firefighting personnel were deployed on Engine 45 to assist with the Dixie Fire.

Although we assist our fellow firefighters outside Surf City, Huntington Beach Fire Stations remain fully staffed to serve the City.

DEVELOPMENT SERVICES DIVISION

Public Notice / Intent to Adopt Negative Declaration No. 20-002 for Gisler Residential

A Draft Mitigated Negative Declaration (MND) will be available for public review and comment for 20 days starting on Thursday, July 22 and ending August 10, at 5pm. This MND analyzes the potential for environmental impacts associated with a request to construct 85 single-family residences on a 13.9 acre site located at 21141 Strathmoor Lane, Huntington Beach, CA 92646 (west side, south of Bluefield Drive).

Please visit the city website for complete information and to review the draft Mitigated Negative Declaration:

<https://www.huntingtonbeachca.gov/government/departments/planning/major/major-projects-view.cfm?ID=105>

COMMUNITY ENHANCEMENT DIVISION

Short-Term Rental Permit Deadline October 1, 2021

The final approval of Ordinance No. 4224 (Short Term Rentals) went into effect on February 19, 2021. The STR Permit Fee was adopted on March 1, 2021. Short Term Rentals are allowed in designated zones as determined by this ordinance. Please read these key points for reminders about upcoming deadlines and brief summary of some of the provisions:

- City is divided into two zones: Zone 1 – properties within the City, excluding Sunset Beach; Zone 2 – properties within Sunset Beach
- Hosted/owner-occupied Short-Term Rentals (STRs) are allowed in Huntington Beach (Zone 1) and Sunset Beach (Zone 2)
- Short-Term Rental permits must be obtained by October 1, 2021, for all current STRs, or enforcement will commence
- Un-hosted/owner un-occupied STRs are allowed in Sunset Beach (Zone 2) only if a permit is applied by October 1, 2021. After this date, STRs in Sunset Beach must be hosted/ owner-occupied

For more information, please contact the Planning and Zoning counter at (714) 536-5271 or email permitcenter@surfcity-hb.org or on the city website: <https://www.huntingtonbeachca.gov/government/departments/planning/short-term-rentals-in-hb.cfm>

SUPER SECRET

movie nights

Join the Huntington Beach Community and Library Services Department for our pop-up movie series!

Movies will be held every Friday in August.

The park and the movie will be released the day before on our Instagram, @hbcommunityservices.

All movies will begin at 8pm and will be family-friendly. Be sure to bring a blanket and chairs!

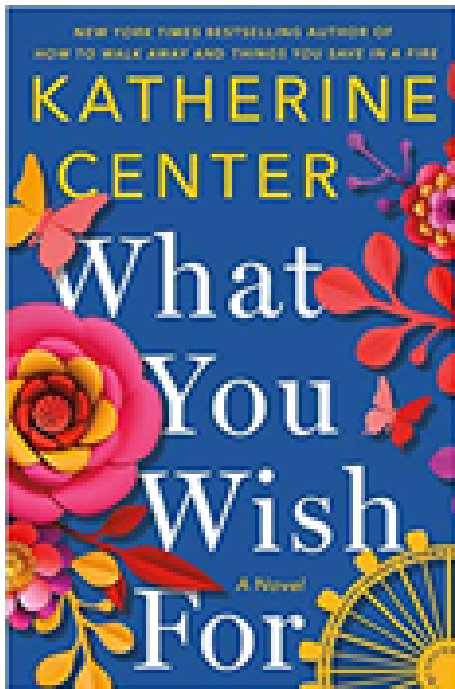

Snacks will be available for purchase.

Please call City Gym and Pool at
714.960.8884 if you have any questions

**Parks
Make
Life
Better!**

LIBRARY SERVICES EVENTS

Join other fans of romance books at the online Central Library Book Club, coming up on Tuesday, August 3 from 7 to 8 p.m. This month's title, *What you Wish For*, by Katherine Center, tells the tale of school librarian Samantha and the new principal Duncan, who knew each other at another school in another life. This time, things are different for them romantically, but opposite goals for the good of the school send their school's community into chaos. Can their love survive? All adults aged 18 and up are invited to share thoughtful discussion on this exciting book pick.

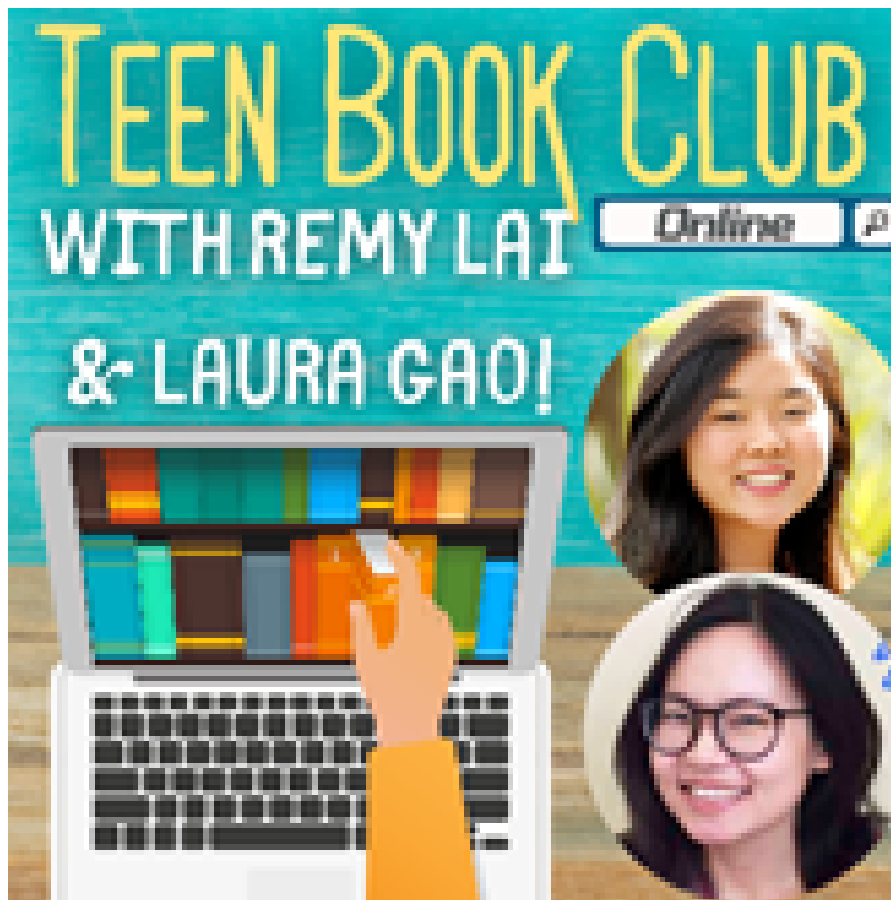

Registration is required for this virtual event, as there are only a limited number of "seats" available. The event URL will be sent to the e-mail address provided during registration, which can be completed by clicking here <https://hbpl.libcal.com/event/7326159>.

Back in May of 2020, the FOTL began offering free live Virtual Author Events via Zoom. These wildly successful and popular programs have since become a favorite with Friends members – in addition to featuring conversations with prominent authors, there were book give-a-ways and door prizes offered at each event.

The FOTL will be taking a short hiatus from this program during the month of August, but will return in September with their last Virtual Author Event on Zoom. Then, beginning in October, the series will resume its pre-Covid in-person status! More information on these events will be publicized in future City Manager's Newsletters, and will also be featured on the Friends' new, revised website at www.fotlhb.com.

YOUTH SERVICES DEPARTMENT – TEEN EVENTS

This summer the Huntington Beach Library's Teen Book Club takes on a colorful new twist by centering on the graphic novels, comics, and manga loved by all! Join other graphic novel enthusiasts on Wednesday, July 28 at 6 p.m. for an extra special online session of the Teen Graphic Novel Book Club featuring a visit with graphic novelists Remy Lai & Laura Gao!

Teens of all ages are invited to visit the TeenSpace's virtual hangout to watch these amazing artists in action as they draw together, answer questions about comics, art, and the life of a graphic novelist. They will also talk about their upcoming new books, *Pawcasso* and *Messy Roots: A Graphic Memoir of a Wuhanese-American*!

To see more of their work, check them out on Twitter at @Remy_Lai and @heylauragao. To sign up for this virtual event, click here <https://hbpl.libcal.com/event/7939437>. A link to the event will be sent to the e-mail provided during registration.

BRANCH NEWS

SOFT OPENINGS AT HELEN MURPHY, BANNING AND OAK VIEW

Soft Openings now offered at Helen Murphy, Banning and Oak View Branches

In addition to picking up their holds during Sidewalk Service hours, patrons can now visit three of the branch libraries inside for services like browsing, getting a new library card, and reference assistance! Call the individual branch to inquire about any additional services available.

Helen Murphy Branch, 714 375-5006

Open Monday and Wednesday 2-6 and new extended hours Friday 9-1

Banning Branch, 714 375-5005

Open Tuesday 2-6 and Thursday and Saturday 9-1.

Oak View Branch, 714 375-5068

Open Tuesday and Thursday 10-4

** Effective August 1, open Monday through Friday 10-4.

The Main Street Library currently maintains outdoor Sidewalk Service hours on Wednesdays and Fridays from 9-1, until further notice.

MAKER SPACE APPOINTMENTS

The Huntington Beach Library Makerspace has appointments available weekly for patrons to use all of the exciting and innovative equipment offered.

The open hours are on Tuesdays and Thursdays between 2-6 p.m., and Saturdays between 10 a.m. - 2.p.m.

To inquire about available spaces, users can visit the library's webpage at www.hbpl.org, click on "Services," and select "Makerspace." Once at the Makerspace webpage, clicking on the blue box labeled "Makerspace Appointments" will take them to the schedule of available appointments.

Alternatively, appointments can be made by clicking on this link <https://hbpl.libguides.com/makerspace>. All participants must sign the Makerspace Use and Safety policy and submit it to the coach before using any of the equipment.

YOUTH SERVICES DEPARTMENT – CHILDREN'S EVENT

Children and their families are invited to watch a very special online storytime coming up on Monday, July 26 at 10 a.m. Visit the Library's Storytime channel [here](#) to attend a virtual "storytime at the wetlands", presented by the Amigos de Bolsa Chica. The Amigos will be reading stories about wetlands creatures and conservation, sharing some of the animals that live in the Bolsa Chica

Wetlands, and singing some catchy tunes. Once there, participants can get more information about visiting the wetlands with the family, as well as download a wetlands scavenger hunt to complete during their visit!

Together *Again*

The Senior Center in Central Park is proud to announce a new exciting resource fair and festival celebrating aging! Saturday, September 25, from 10 a.m. to 2 p.m. We look forward to seeing smiles once again!

Together Again will feature senior service providers, as well as groups and organizations making a difference in our community. Representatives from the City including the

Library, Police and Fire Departments as well as cultural groups will bring a wide range of diversity to the Senior Center in Central Park. Special presentations will be held in the Center.

Together Again will give us a chance to reconnect with old friends and learn about new resources and opportunities for growth. It is also a time to celebrate the Center's Fifth Anniversary. Since opening in 2016, over 10,000 people have come through the doors, making the Center a showcase for Southern California.

We continue to celebrate our long time partnership with the Huntington Beach Council on Aging, which has allowed the Center to remain a leader in Senior Services. The continued funding of direct services, including care management, allow a significant number of seniors to age in place and maintain their independence.

We miss you! Please join us for Together Again on September 25! Sponsorships range from \$400 to \$5,000 and are selling out fast. Contact Randy Pesqueira, rpesqueira@surfcity-hb.org/714-536-5543 for reservations and information.

Help the Community & Library Services Department shape the future of Huntington Beach's parks and facilities by sharing your feedback on two important projects: The Parks & Recreation Master Plan Update and Edison Park Conceptual Design! Please visit the project websites to provide your feedback, get involved in future webinars and meetings, and to see the progress on each project!

P&R Master Plan: bit.ly/HBParksMasterPlan2021

Edison: bit.ly/hbedisonpark

MANDIC MOTORS DRIVER ASSISTS WITH APPREHENSION OF HIT AND RUN DRIVER

On June 25, Motor Officer Seeser responded to the scene of a hit and run collision near Pacific Coast Highway and Seapoint. While at the scene, she was able to get a general description of the suspect's vehicle from witnesses. Motor Officer Seeser reached out to Mandic Motors and provided them with the suspect's vehicle description in case they received a towing request for any vehicles matching that description.

Later that night, Felimon Garcia Jr., a driver at Mandic Motors, called HBPD and informed dispatchers he had just towed a car matching the suspect's vehicle description and provided the address in Cypress of where he had towed it. Officers drove to the location, identified the vehicle, and through some additional investigative work (some of which involved Snapchat), Officers were able to arrest the suspect and take him to jail for the crime of hit and run.

HOMELESS TASK FORCE WORKS WITH COMMUNITY PARTNERS TO DONATE VEHICLE TO MARINE CORPS VET

Maggie, a Marine Corps Veteran who served in the Gulf War, was the happy recipient of a vehicle donated by The Deserted Military M.C. and ExperTec Automotive.

Maggie is a single mom who works hard at the VA Hospital to support herself and her daughter, but was finding it challenging to get to and from work in Long Beach without a vehicle. When ExperTec contacted our Homeless Task Force looking for a Veteran in need of a vehicle, they called Hope Chapel Huntington Beach who knew Maggie was the perfect person.

SAVE THE DATE - HUNTINGTON BEACH POLICE DEPARTMENT NATIONAL NIGHT OUT EVENT

The National Night Out Event is a community-building campaign that encourages neighbors, businesses and law enforcement to build and maintain positive partnerships. The safety of our community is undoubtedly our top priority and the key to building safe communities starts with getting to know your local officers, the businesses in your area, and your neighbors. In addition, it is a great way to learn and share about the resources offered in our city and/or county.

Tuesday, August 3, 2021, from 5 - 7 p.m.
Michael E. Rodgers Senior Center – 1706 Orange Ave.

For questions, contact Virginia Clara at 714-536-5245 or vclara@hbpd.org

WE'RE HIRING OFFICERS!

We are looking for hardworking candidates ready and willing to be of service to the Huntington Beach community.

The HBPD is currently seeking individuals for the following roles:

- Police Recruit
- Police Officer (Experienced)
- Communications Operator (Trainee)
- Communications Operator (Experienced)

To learn more, visit www.huntingtonbeachca.gov/jobs

HONORING RICK "ROCKIN FIG" FIGNETTI

It's with great sadness that we all mourn the loss of one of our local legends – Rick Fignetti – or as everyone knew him - Rockin' Fig – owner of the Rockin' Fig Surf Headquarters on Main Street.

We lost him last week due to a heart attack at age 64. And honestly, this one is really tough for our tight knit community in Surf City, but beyond as well as Fig was so well known all over the globe.

A 10-time West Coast Surfing Champion and two-time national champion, Fignetti was usually seen surfing the Huntington Beach Pier most mornings. Rockin' Fig was inducted into both the Surfing Walk of Fame and Hall of Fame in HB, and his iconic store, Rockin' Fig Surf Headquarters in Downtown, was home base for so many incredible surfers. He was also our official and unofficial master of ceremonies, sharing his authentic style during events like the Blessing of Waves.

We will miss him terribly. He was a dynamic person - warm, competitive, fair, strong, welcoming, fierce, hard-working, dedicated - who loved his City, and we loved him back. Next Tuesday, July 27 at Surf City Nights in front of Surf City Ale House, Don Ramey's band will play in honor of Fig from 5 to 6:30pm – and I know many of us will be there to pay tribute to the one and only Rockin' Fig.

This month, the City recognized Robyne Wood of Robyne's Nest with the Making a Difference Award for exceptional community service to HB!

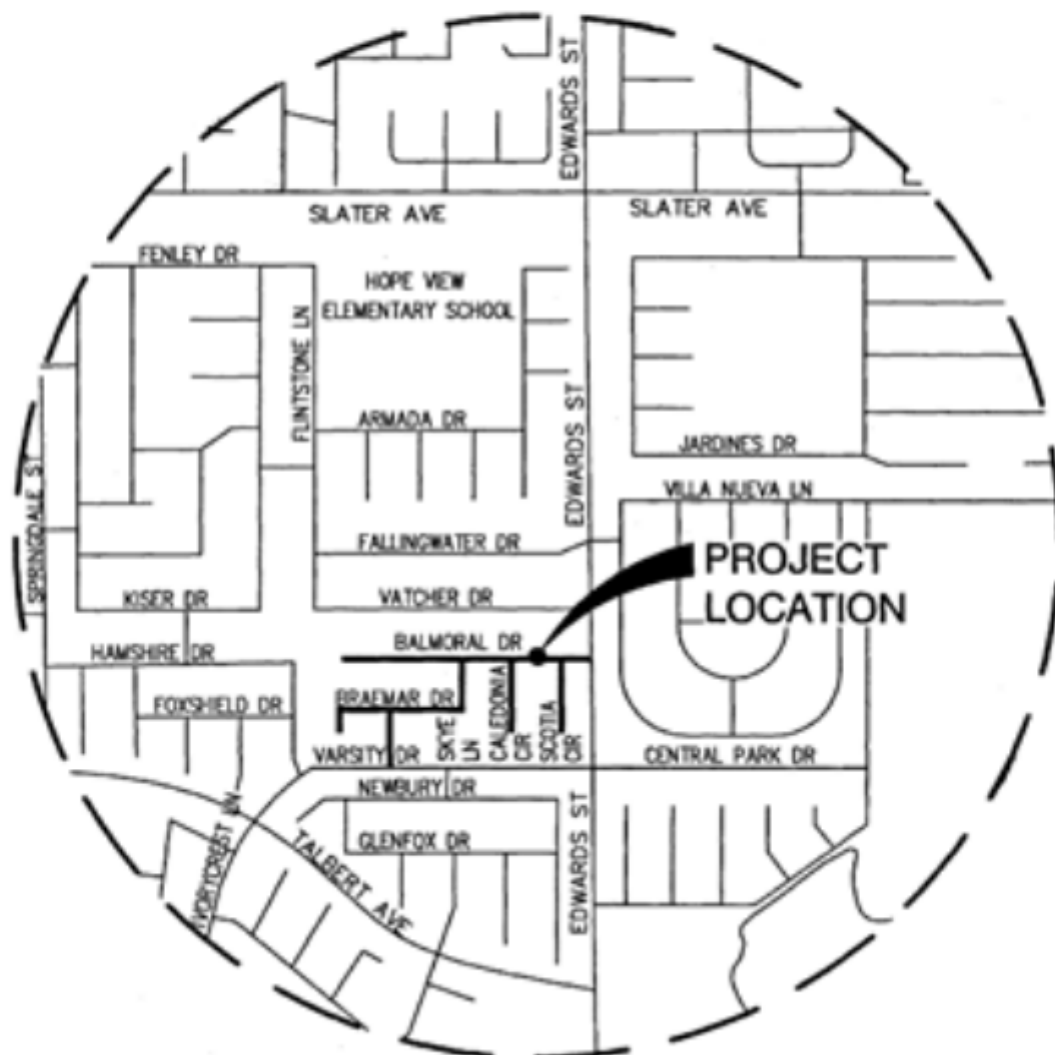

Founded in 2015, Robyne's Nest provides at-risk and/or homeless high school students with resources to navigate the challenges of adolescence to adulthood. The non-profit offers basic necessities, security, routine and a place to belong. It also provides academic support to help students complete high school.

Robyne's Nest also offers life skills classes focused on education, wellness, employment, housing, and finances - tools that will help lift them out of homelessness and towards self-sufficiency. Since Robyne's Nest opened, they have helped more than 100 students graduate from high school and assisted hundreds more through grab-n-go school pantries and holiday break food to-go bags.

Congratulations to Robyne for bringing this organization to life and truly making a positive difference for the youth in our community!

EDWARDS VARSITY TRACT WATER MAIN REPLACEMENT

The Pre-Construction Conference was held with contractor Excel Paving for the Edwards-Varsity Water Main Replacement project on Monday, 6/14. This \$1.5 million project will replace approximately 3,200 linear feet of aged potable water pipeline within the Edwards-Varsity Tract neighborhood. The work is predominately located within residential streets. The affected streets will be ground and overlaid with new asphalt after water line construction is complete. Contract time is expected to start early July, with initial excavation beginning early August, and will last until January 2022.

SAYBROOK SEWER LIFT STATION

Dewatering wells were installed within the wet well footprint to enable dewatering of the site during excavation. Groundwater removal efforts have been successful to this point, allowing excavation to proceed to a depth of approximately 18'. The bottom of the excavation will reach 28' before wet well construction activities will begin. At this point further reinforcement of the shoring is being installed before further digging can occur. This is demonstrated in the photo below. This project is scheduled to be completed winter 2022.

SLATER ROOF REPLACEMENT

The roof replacement project is in the final weeks of completion at the Slater Storm Drain Pump Station. Some major tasks for the project have successfully been completed including; damaged wood replacement, roof shingle and the pump station muffler installation. This project is scheduled to be completed in early July, 2021.

ARTERIAL REHABILITATION PROJECT NEWLAND, BROOKHURST, GARFIELD, ATLANTA

Construction is currently underway on Garfield Avenue from Main St. to Delaware. The base layer of the new asphalt concrete is complete and the cap is being installed the week of 7/12. The 2" cap layer of this street has incorporated a recycled rubber material that

supports sustainable processes for our street rehabilitation projects. The photo below shows the base layer being installed on July 12. The recently rehabilitated segment of Atlanta Ave. from Delaware to Beach, had traffic loops restored and was striped the week of 7/5. This project will be under construction through the summer 2021.

SLATER SEWER LIFT STATION

Construction continues in constructing the wet well structure. The contractor applied water proofing (CCW MiraDri) application to exterior walls and placed first lift of concrete slurry backfill. Removal of shoring and structure backfill will continue for several weeks. In addition, the contractor completed installation of the 10" sewer line that will connect sewer manhole # 2 to manhole # 3. A new 15" sewer line between manhole # 1 and manhole # 2 is completed and street repair preparations started on Springdale Street.

RESIDENTIAL OVERLAY OF ZONE 3

The contractor has commenced on the grinding and paving of the residential streets in Zone 3. This project has paved a quarter of the scheduled one hundred and thirty residential streets. The grinding and paving of the project is anticipated to be completed in early July, 2021.

WATER LINE RELIABILITY IMPROVEMENTS ON PCH

The Utilities Division transferred 20 service lines from an existing 3" water line to a nearby 14" water line on PCH in Sunset Beach, from Park Avenue to 16th Street. The 3" line is located underneath the sidewalk along the north side of PCH and was installed in 1958. The line has become increasingly difficult to repair due to limited parts availability and its proximity to homes, businesses, and other utilities. Reconnecting the service lines to the nearby 14" water line will make it easier to repair in the future and improves long-term reliability for the businesses and residents.

BEACH FRONTAGE ROAD – CDS UNIT MAINTENANCE

Utilities Division field crews began maintenance on continuous deflection units (CDS) throughout the City, prioritizing the CDS units along the Beach Frontage Road. Proper maintenance of the units helps prevent trash and pollutants from contaminating our beaches, and is a requirement of our National

Pollution Discharge Elimination System (NPDES) Permit. Maintenance of all CDS units will be complete by the end of next week in preparation of this year's Independence Day holiday activities.

WATER LINE REPAIR ON ISLANDER AVENUE

On Friday, June 11, the Utilities Division completed the repair of an 8-inch water line on Islander Avenue. The water line was 50 years old and had ruptured in two locations. On Wednesday morning (6/9), Utilities Division staff was notified of a water line break that flooded the street and lifted the roadway, affecting water service to 24 residential customers. Field crews arrived onsite at 10:30 a.m. and worked until 11 p.m. to repair the pipe and restore water service. Roadway repairs were completed two days later with vehicular access fully restored on June 11.

WATER LINE REPAIR ON LAMOND DRIVE

On Monday, June 14, Utilities Division field staff performed an emergency repair to fix a six-inch water line on Lamond Drive. The pipe was over 50 years old and cracked along the underside. Staff provided advance notification to 15 residential homes stating that their water service would be shutoff for a few hours to perform the repair. Field staff restored water service by approximately 8:30 p.m. and completed the repair effort by midnight.
